

Powerful. Convenient. Secure. The EFS Card

THE EFS CARD

The EFS Card is a powerful, convenient payment solution that responds to the changing dynamics of your business. Accepted at more than 15,000 locations across North America, the EFS Card is designed to meet all of the demands of your business as well as those of your employees or contractors.

Enjoy extraordinary convenience while maintaining full control and security over your fuel, cash, and non-fuel purchases. Setting purchase limits in real-time

through our robust, secure online website is the power behind the EFS Fleet Card. Flexible purchase limits give you the ability to customize at the individual card level. Control fuel and non-fuel purchases with distinct card prompts that validate the sale at the point of purchase, and, if you choose, a variety of pertinent data can be captured and validated before fueling is authorized.

The NEW EFS CardControl mobile app – for drivers

CONTROL YOUR FUNDS – CONTROL THE ROAD.

EFS CardControl for EFS SmartFunds^{®2.0} is the innovative source that allows your drivers convenient access to their EFS card functions while on the go. This app allows drivers to manage their cards anytime and anywhere from their mobile device.

With EFS CardControl, drivers can:

- **Get real-time card balances and recent transaction details**
- **Register Checks**
- **Manage their EFS SmartFunds**
- **Transfer funds to external bank accounts**
- **Find fuel prices and locations based on a specific location (e.g. location of their mobile device)**
- **Find fuel prices and locations by route**

Download the app from the Apple App Store or Google Play. While the app is free for the public to download, users must be a current EFS customer with a valid and active EFS card number and PIN in order to use this app.

**SHARE THIS UPGRADED NEW APP
WITH YOUR DRIVERS TODAY!**
